

HP Certification Status Report

Company Name:

UTILTECNICA SNC DI SABATINO PANDULLO & C.

Company address:

Via UGO FOSCOLO, 5
34131 TRIESTE

Number of Credentials:

APP - HP Imaging and Printing Solutions - 1

ASP - HP Imaging and Printing Solutions - 1

Legend:

* Number of credentials gives the total number of credentials with status 'current' and 'not current' for your particular company location

* Please note that individuals need to access CertPro via the HP Student Portal for personalized information on their Annual Point Requirements:

» Certpro: http://www.hp.com/certification/emea/members_access_certpro.html

» HP Student Portal: <http://certification.portal.emea.hp.com>

* 'Current' means that the credential awarded is fully compliant with the Annual (recertification) Point Requirements

* 'Not current' means that the credential owner failed to complete the Annual (recertification) Point Requirements for the prior period

* For any questions about this report, please contact your local training and certification program office (contact details can be found on www.hp.com/certification/emea under 'contact your local team')
