OCTANORM®

FRAMES - d2 portable magnetic frame & ORGANIC Extrusion

Two vario Flatscreen MM-player units in combination with a portable frame and an ORGANIC upright with shelving.

8mm

149mm

5.2mm

Never leave home without it…
With this super slim RC you control your Flatscreen MM-player. If you have two or more MM-player units in the same room, you can easily synchronise them.
No Fuzz. No sweat.

OCTANORM ®
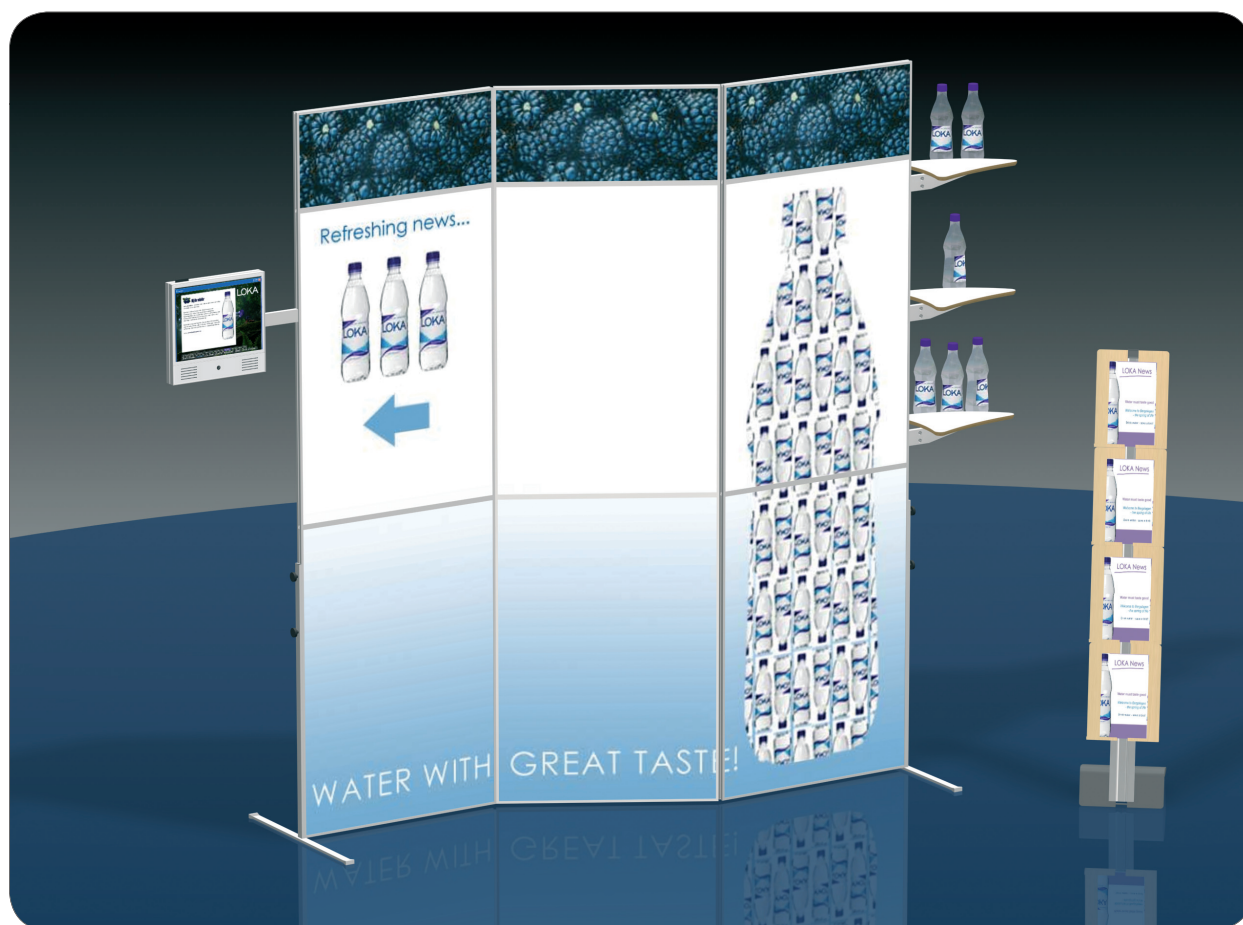

FOLDING FRAMES - d1 magnet / d3 integrated

A vario Flatscreen MM-player in combination with a traditional vario display folding frame, organic shelving and a telescopic literature rack.
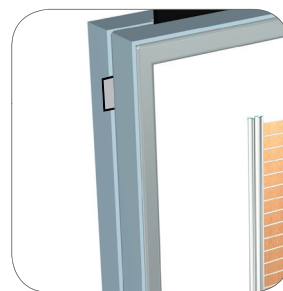

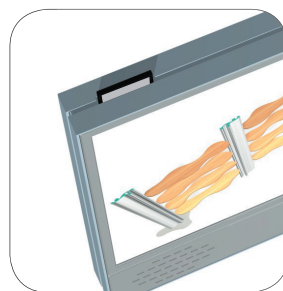

The **CARD READER** is located at the top for CF-cards and on the left top most side for SD. The protecting cover is easily mounted above the card, so your presentation doesn´t get lost or stolen. *It is after all a very desirable product*

OCTANORM®
